GOODS RECEIPT AND VENDOR DOCUMENT INFORMATION

I. General Delivery Terms

1. Goods receiving operating hours are from 08:30 – 20:00 WIB on business days.
2. All deliveries must be accompanied by:
 - Delivery Order (Surat Jalan)
 - Supporting documents in accordance with the material type
3. Vendors are required to ensure all documents are complete prior to delivering goods to PT Maxon Prime Technology.
4. The receiving team reserves the right to reject goods if shipping documents are incomplete or do not correspond with the Purchase Order.
5. All incoming materials will undergo an inspection process by the Quality Control (QC) team.
6. Materials that meet quality standards will be assigned "APPROVED/OK" status and accepted into the warehouse.
7. Materials that do not conform to specifications, are damaged, or fail to meet quality standards will be returned to the vendor for replacement or repair.

II. Material Document Requirements

Vendors are required to attach supporting documents in accordance with the following material categories:

1. Pumps & Mechanical Equipment
 - Certificate of Origin (COO)
 - Certificate of Manufacture / Certificate of Conformity (COM/COC)
 - Warranty Letter
 - Drawing & Data Sheet
 - Quality Check Report / Factory Acceptance Test (FAT) / Performance Test Report *(as required by project)*

2. Pipes, Fittings & Flanges

- Mill Certificate
- Material Certificate
- Galvanized Certificate (*if applicable*)

3. Motors & Electrical Equipment

- Performance Test Report
- Wiring Diagram
- Technical Data Sheet
- Warranty Letter
- Quality Check Report / Factory Acceptance Test (FAT) / Performance Test Report (*as required by project*)

4. Panels & VSD

- Wiring Diagram
- Technical Data Sheet
- Warranty Letter
- Quality Check Report / Factory Acceptance Test (FAT) / Performance Test Report (*as required by project*)

5. Valves

- Material Certificate
- Drawing
- Data Sheet
- Warranty Letter

6. Steel Materials (H-Beam, Plate, UNP, Hollow, Angle Bar)

- Mill Certificate
- Material Certificate
- Galvanized / Coating Certificate (*if applicable*)

III. Special Provisions

1. Vendors must ensure that all goods specifications are in compliance with the Purchase Order and the approved technical specifications.
2. Goods that do not conform to specifications will be returned, and all replacement costs shall be borne by the vendor.
3. For urgent deliveries outside of operating hours, vendors are required to obtain prior confirmation from the relevant Procurement team or Person in Charge (PIC).
4. All vendor drivers and helpers are required to comply with the company's occupational safety regulations, including:
 - Wearing safety shoes
 - Wearing safety helmets
 - Wearing neat and appropriate work attire
5. Chemical materials must be accompanied by a Material Safety Data Sheet (MSDS).
6. Vendors are expected to adhere to the agreed delivery schedule. Should the delivery schedule deviate from what is stated in the Purchase Order, PT Maxon Prime Technology reserves the right to cancel the PO, and any down payment (DP) already made must be refunded in full.
7. For invoice administration and payment scheduling inquiries, vendors may contact the Finance/Accounts Payable (AP) department:
 - Contact information:
 - a. Ms. Peni — peni.maxon@gmail.com
 - b. Ms. Maria — mariaa.maxon@gmail.com
 - c. Ms. Vonny — vonny.maxon@gmail.com
8. Invoice documents must include a Revenue Stamp (in accordance with stamp duty regulations), Tax Invoice (Faktur Pajak), and Delivery Order (Surat Jalan). Original invoices may be sent to the following address: JL. Raya Ciangir No. 7, Kec. Legok, Kab. Tangerang, Banten – Indonesia 15820. Billing document submission at PT Maxon Prime Technology is accepted every Tuesday, 10:00 – 17:00 WIB.
9. All invoice and billing documents must be submitted in accordance with the company's administrative procedures to ensure timely payment processing.
